Hi, Doug,

Hope you had a nice weekend getaway!

Attached is an outline for your keynote at the H&H event later this week. I also created a matrix comparing the national “certainty and clarity” principles to our Region 8 priorities (attached). My hope is that the outline + matrix will be helpful for your remarks.

OPRA’s bullets on the air matters specific to Utah (as briefly included in the keynote outline) are also attached.

I’ll look at H&H details re: your panel discussion and send you another email later this afternoon. Please also see the Regulatory Chart from a few days ago.

Megan
